**Acknowledgment of Child Placement/Visitation Rights**

**Any party with legal visitation rights or custody rights must acknowledge and sign this agreement.**

**I acknowledge that I am aware and in agreement that**

\_\_\_\_\_ **name of child(ren)**

is (are) being considered for placement (or has already been placed) at Shiloh Christian Children's Ranch. I also acknowledge that I have read Shiloh Christian Children's Ranch's Visitation Guidelines. Though the guidelines aforesaid may restrict certain rights of visitation or custody I have under law I believe the guidelines are in my child's/children's best interests and accept such guidelines though the same may serve to limit those rights of visitation or custody previously granted me. All custody issues regarding visitations between all parties involved must be worked out with each other but still adhering to Shiloh's visitation rules.

- After the first month, children may have one visit per month if conduct permits.
- All visits and its itinerary are to be approved by Homeparents and Executive Director.
- All visits are arranged through the child's Homeparents at least 2 weeks in advance. Parents/guardians are not to notify children of visitation dates and times.

By endorsing this agreement, we recite that we know of nobody other than the signatures below that have any right of visitation or custody with the above named child(ren).
